Plaintiff Wright Motion Requesting
An Extension of Time.

COMES NOW, RICHARD WAYNE WRIGHT, SR., Plaintiff, Pro-Se., in the above style requesting an extension of time to properly respond to defendants' William Sanders and Mental Health Management, INC.

Plaintiff Wright now must reword the response that was and is preparing for this Honorable Court, so that, [it] will be more presentable when and in plaintiff attempts showing the facts as stated in plaintiff Complaint and amended portion. Based on the large number of inmate(s) incarcerated at [this] Facility, Ventress Correctional Facility (here after referred to as V.C.F.). Plaintiff Wright needs more

time ^{R.W.W.} ~~need~~ too, not only reword [my] Complaints but time needed to type this motion of objection to the Magistrate Judge order denying "Motion upon defendant Sharon Holland For Admission", and the Response to defendant W. Sander and Mental Health Management, Inc. IF this motion is granted it will allow and provide plaintiff time to receive a response from several people for assistance in addressing [these] issues in [his] Complaint and/or in hopes of receiving an attorney to help aid plaintiff in these legal matters.

Lastly, plaintiff Wright request for an Extension of time is granted it would help [him] in the difficulty of finding some one in prison to help [him] interpret these writing - written by defendants, defendant's agents and mental Health Management, Inc. whom hired these Mental health personnel. By granting such motion/request will not duly delay the adjudication of this Case

Done this the 21st day of March, 2006.

RespectFully Submitted,

Richard W. Wright, Sr.
